Vest Pecket Remedy That Ouickly Ends Indigestion

Ent What You Please and Never Fear After-Distress.

There is a perfectly safe and sure way for you to eat whatever your stomach craves and do it over again the next day. Many will say: "How I wish I could eat that, but I have tried and every time it nearly kills me."

People get in a condition like this only because they are not taking proper care of their stomach.

Every stomach has a lot of work to perform in digesting the food and if crowded with extra labor it rebels and kicks up a fearful disturbance.

There is a simple, harmless, inexpensive and meat effective prescription, easily obtained at any drug store, called Mi-o-na, that will quickly stop this disturbance. These little vest pocket Mi-o-na Stomach Tablets were especially prepared to regulate out-of-order stomachs. They not only help the overworked digestive organs by increasing the flow of gastric juices, but surely and safely build up and strengthen the stomach walls so that the stomach can care of the food as nature intended.

It's needless for you to suffer with indigestion, heartburn, bilitousness, sour, gassy or upset stomach, for Mi-o-na will give prompt and lasting relief every time. Do not delay, but get some of these indigestion ending tablets from Lee & Osgood or other leading druggists today. Be sure you get Mi-O-NA and accept nothing else, as Mi-o-na is always sold with the understanding that if it does not banish all stomach distress your money will be returned on request.

There is a perfectly safe and sure Miliame. Mrs. Miss Min. Miliam does not be suffer with the stomach can care of the food as nature intended.

The somach can care of the food and if crowded with the understanding that if it does not banish all stomach distress your money will be returned on request.

Under the auspices of the Ladies' Aid society of the Leffingwell Baptist church a baked bean supper and social was held at the home of Mr. and Mrs. in demanding that a physician who had signed a prescription calling for nar-cotic drugs, by using his two initials, write his name in full. The law says the name must be written in full. One meant a net profit to the society of about \$20. Following the supper there was an instrumental music, the latter includ-ing three violin, cornet and plane. It was the first affair of this kind the so

Appointed Nominating Committee to Report at Meeting in May. Chemical company No. 1 and Chemical company No. 2, responded to an alarm from box 14, at the corner of West Main and Thames streets, at 1.56 o'clock Tuesday afternoon for a small fire in a chicken coop in the rear of the residence of Rev. Max Stamm, No. 21 North High street. The flames were extinguished with chemical and the damage was slight. The fire is thought to have started from a lighted candle. Steamship Lines Pay \$1,500,000 Yearly was appointed and they will report at the annual meeting in May.
